February 2026

Gain Skills for Life this National Apprenticeship Week in Plymouth

National Apprenticeship Week is the perfect moment to celebrate the power of apprenticeships and explore how they can help you gain skills for life. Whether you're just starting out or looking to progress in your career, apprenticeships offer an inspiring way to earn while you learn, develop confidence, and build a future you're proud of.

This special National Apprenticeship Week edition of our Apprenticeship Bulletin has been created to help young people and adults discover the latest live vacancies in and around Plymouth. Apprenticeships are real jobs with high-quality training, giving anyone aged 16+ the chance to gain hands-on experience in a sector that excites them, while working towards a nationally recognised qualification. With opportunities available from Level 2 right up to degree level, apprenticeships open clear and achievable pathways into rewarding careers.

In this edition, there are over 100 local vacancies that are directly linked to an employer, including:

- 12 in administration, business and customer service
- two in automotive and mechanical
- five in childcare and early years
- 18 in construction and the built environment
- 29 in engineering, manufacturing and marine
- five in hair and beauty
- one in horticulture
- four in hospitality, retail and tourism
- 23 in public services (across a wide range of sectors/job roles)
- two in warehousing and driving.

In addition to the vacancies advertised here, if you know an employer looking to take you on as an apprentice, we can connect you with a training provider to arrange the apprenticeship.
